NEW MEMBERS — I would like for everyone to welcome our newest members, Charles and Judy Glover. Charles and Judy have been taking lessons and are good friends with Bob and Susan Raby. Charles was with the Agriculture Department at NMSU. Judy is a homemaker and Grandmother. Their daughter lives in Phoenix. This means that they help keep the interstate warm between here and there, as if it needed to be warmed up. We are extremely happy to welcome them to our club.

60th NEW MEXICO STATE FESTIVAL — If you didn't make it to the State Festival in Ruidoso, I'm sorry you missed it. A great time was had by all. It was a little hard to find but the night was cool and everyone had a great time dancing and visiting with their Square Dance friends from all around the state. Gary Shoemake is an excellent caller and the Round Dancers enjoyed the Cueing of Bob and Sally Nolen. We also enjoyed dancing to our state callers and cuers.

SICK LIST — The following is a list of Square Dancers that we need to keep in our thoughts and prayers.

Dora Stence is doing well with her chemotherapy. When I spoke with her she sounded very good. She will have to have at least one more chemotherapy prior to surgery. Her surgery will probably be in Albuquerque. Please keep her and Tom in your thoughts and prayers.

Wilson Purcella had his Gaul Bladder removed and was doing some better, he did make it to the State Festival but I didn't get to see him. He is currently back in the hospital (May 30th) in intensive care. I am not sure of the details because he was having dialysis and was very weak. I think that he was being treated for blood clots. Please keep him in your thoughts and prayers. If you have time please check on him. Mountain View Regional Medical Center, 556-7600 — MVRMC 4311 E. Lohman Ave., Las Cruces, NM 88011-8255

Art Harvey is going to have a knee replacement surgery on June 12th. Please keep Art and Marylyn in your thoughts and prayers.

Bob Richie is having trouble with his feet again. He and Irene were at the last dance and they danced several tips. We are keeping our fingers crossed and hope that he continues to improve.
